The Honorable Rosa DeLauro
2413 Rayburn House Office Building
Washington, DC 20515

Dear Ranking Member DeLauro:

I understand that you plan to offer an amendment to the Labor, Health and Human Services, Education, and Related Agencies Appropriations bill during mark-up tomorrow which would increase funding to the President's requested levels for various programs under the Administration on Community Living, including programs providing services to older Americans and fighting elder abuse.

We commend you for your ongoing support for these programs. I have attached our letter of April 9, 2015, which outlines the funding levels that the LCAO supports in the bill. Thank you again for your steadfast support of programs for older adults.

Sincerely,

Max Richtman
Chair
